# February & March 2022

It's another month here at Hands of Heartland, and we're pleased to highlight some of the incredible people we have in our organization!

Welcome

## New Team Member Resources Director Jenny Rohr

We're thrilled to welcome Jenny Rohr as our new Team Member Resources Director!

Jenny has worked in the human resources field for 14 years. She enjoys helping people, and seeing them succeed in their employment. She spent 10 years of her HR career working for an agency serving individuals with disabilities. She is excited to be a part of a growing company that is people-centric and provides a valuable service to the communities and people it serves.

She has her bachelor's from the University of Nebraska, Lincoln and holds two HR certifications (PHR and SHRM-CP). Jenny has a 15-year-old step daughter, two dogs, and loves to travel as much as she can.

## Recognition

# Team Members of the Month

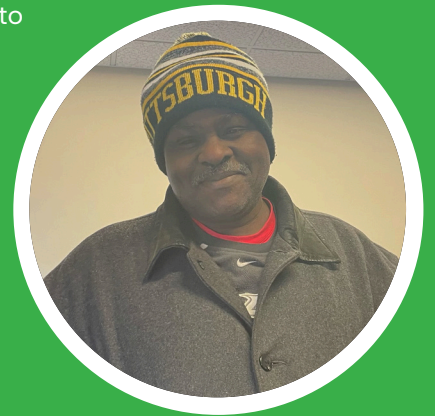

It's time to highlight two of our outstanding team members again, and this time we're cheering on Eugene E. in Lincoln, and Chris M. in Bellevue!

## Chris M. (Bellevue)

This month, we're highlighting Chris M. in Bellevue. Chris is our van driver, and is always willing to help. Not only has Chris been helping with the craziness of the routes, but he's also been working at the wood shop on Tuesdays and Thursdays with a participant who could be considered behavioral and has been very successful. Since he has been going to the wood shop we haven't had any complaints. Chris is very compassionate and does his best to be a team player.

## Eugene E. (Lincoln)

Eugene has kept the Lincoln team afloat this last month by picking up many, many extra shifts. He is a hard worker and will do whatever is asked of him. He has worked well through some difficult behaviors this last month, as well as two individuals in the home coming down with COVID, and it never stopped him.
