

The people we serve in West Point showed some pride in their location by planting flowers to decorate the front entrance.

Opportunities

Supported Employment

Our Supported Employment program is one of the most important services we offer here at HoH. This program is designed to help the individuals we work with achieve a rewarding, fulfilling life through community employment opportunities. Thank you to Trey and his family for providing us with these lovely testimonials!

“We are thrilled to see the pride and confidence that Trey has gained with Supported Employment services through Hands of Heartland. We couldn't be more proud of him and can't say enough how thankful we are for all of you that made it happen.”

— Chuck and Frannie (Guardians)

“I really love my work and am proud to be working.”

Employee spotlight

Congratulations to Cindy Tieken in West Point!

We might be biased, but we think we've got the best team around! Each month we take a moment to highlight one of our fantastic team members, and this month, we're lifting up Cindy Tieken, who works in our West Point area office!

Cindy is an awesome example of a team player, and is always willing to help where needed. She has created many valuable relationships in the West Point community. What we love so much about Cindy is how creative she is, and it's so fun to watch the way she enjoys using her skills daily at Hands of Heartland! Way to go, Cindy! We're so happy you're part of our team!

Community Outreach

Giving Back to our Local Law Enforcement

A group from our West Point and Grand Island locations delivered "appreciation bags" to local law enforcement in the area. These bags contained pens, treats, drinks, and thank you cards. We're so proud of your hard work and efforts to thank our friends in law enforcement!
