# February

2021

## Greetings, Hands of Heartland friends!

February is here, and we have so much to be thankful for! We want to start out this month's newsletter with a heartfelt message of gratitude. Thank you to everyone at HoH who received the COVID-19 vaccine, to those who helped coordinate the vaccination effort, and to Kohl's Pharmacy for administering the first round. There's a light at the end of the tunnel!

## West Point Ribbon Cutting Ceremony

The West Point Chamber of Commerce organized a ribbon cutting ceremony for our newly-opened West Point location on January 22nd. Several community business leaders were present, and it was wonderful to see the community support for our new office!

We have hired people from West Point and the surrounding communities, and will strive not only to provide high-quality services to area individuals, but to also act as a dependable employer for the area.

## COVID-19 Vaccine Update

Hands of Heartland team members are eligible to receive a COVID-19 vaccine! Please check your SComm in Therap or contact Team Member Resources for more information on how you can receive the vaccine.

# Employee spotlight

**We always love highlighting an incredible HoH team member each month, and this month, we're turning the spotlight to Richard Harris!**

We are so appreciative of Richard's positive attitude, and the fact that he is always willing to help out wherever needed, including facilities that are often difficult to staff. He has been working with an individual with a history of frequent elopement, which has drastically reduced while Richard has been working with him. Richard also completes his documentation and training requirements in a timely manner, which is always fantastic! Richard is a great example of what teamwork is all about, and we are so pleased to have him as part of our team.

## Want to nominate someone for Team Member of the Month?

There were over a dozen nominees for this month's Team Member of the Month award. While selecting a winner was not easy, it is such a joy to see that Hands of Heartland has awesome team members who are appreciated by their peers, as well as our organization as a whole. We thank everyone who submitted a nomination. Please keep them coming!

If you'd like to nominate a team member, please send Jeff Wise your nominations through SComm, or email him at [jwise@handsofheartland.com](mailto:jwise@handsofheartland.com).
